

AIR Media, Inc. respects your right to privacy.

This privacy statement applies to all of the websites owned and operated by AIR Media Inc., including:

www.airmedia-inc.com

We will not sell, rent or disclose your personally identifiable information to outside parties (aside from entities that perform services for us, such as fulfilling orders, that either are bound to comply with our privacy policy or have privacy policies that protect your information) without your consent except to (1) comply with the law or with legal process served on AIR Media Inc.; (2) protect and defend the rights or property of AIR Media Inc.; or (3) act in an emergency to protect someone's safety.

The information is used by AIR Media Inc. to record the number of users currently using AIR Media Inc. software and content. AIR Media Inc. reserves the right to contact users to offer them software information.

There may be occasions when we need to collect information from you through our websites. This generally involves filling out forms, sending emails or registering to download our products from our or a third party's website. In addition, we maintain logs of files downloaded, but this information is stored in aggregated, non-personally identifiable form.

AIR Media Inc. will never collect your personally identifiable information without prior notification or consent. Non-personal information, such as browser type (e.g., Netscape or Microsoft Internet Explorer), what operating system you are using (e.g., Macintosh, Windows), and the domain name of your Internet Service Provider (e.g., America Online, Earthlink) is recorded and is used to improve the presentation of pages on our site. This information may also be aggregated to provide general industry guidance.

We may use IP addresses of visitors to our site to analyze trends, administer the site, track user's movement, and gather broad demographic information for aggregate use. These IP addresses are not linked to personally identifiable information.

Information about what software is used by visitors and users may be shared with our partners in the aggregate to provide general industry guidance. We do not share any information gathered on the registration form with our partners or other third parties that would identify users personally without consent.

We use email links located on the "contact" page to allow you to contact us directly with any questions or comments you may have. We will read every message sent in and try to reply promptly to every one. Any information you provide is used to respond directly to your questions or comments. We may also file your comments to improve the site and product, or review and discard the information. Your personal comments are not shared with third parties.

This website takes every precaution to protect our users' information. When you submit sensitive information via the website, your information is protected both online and off-line.

If you have questions about this privacy statement, or our software and website practices, please contact us:
